Dedication

On behalf of the student body and faculty, we, the annual staff of Pleasant View High School, take great pleasure in dedicating the 1963 VISTA to a wonderful teacher, friend and advisor, Mr. Earl O. Freeman.

Being Pleasant View's Assistant-Principal, he has had an extremely busy schedule to fulfill. However, he has always found the time to lend a helping hand whenever it was needed.

We would like to express our sincere gratitude and appreciation to Mr. Freeman for all his hard work and ready willingness in helping us maintain the high standards of Pleasant View.

Mr. & Mrs. Earl O. Freeman

IN MEMORIAM

QUENTIN V. LANNING

This person is one that you all know,
We'll never forget him wherever we go.

The friendly greeting he gave us each day,
Is one we always tried to repay.

His wonderful smile and friendly, "Hello,"
Are ones we'll remember wherever we go.

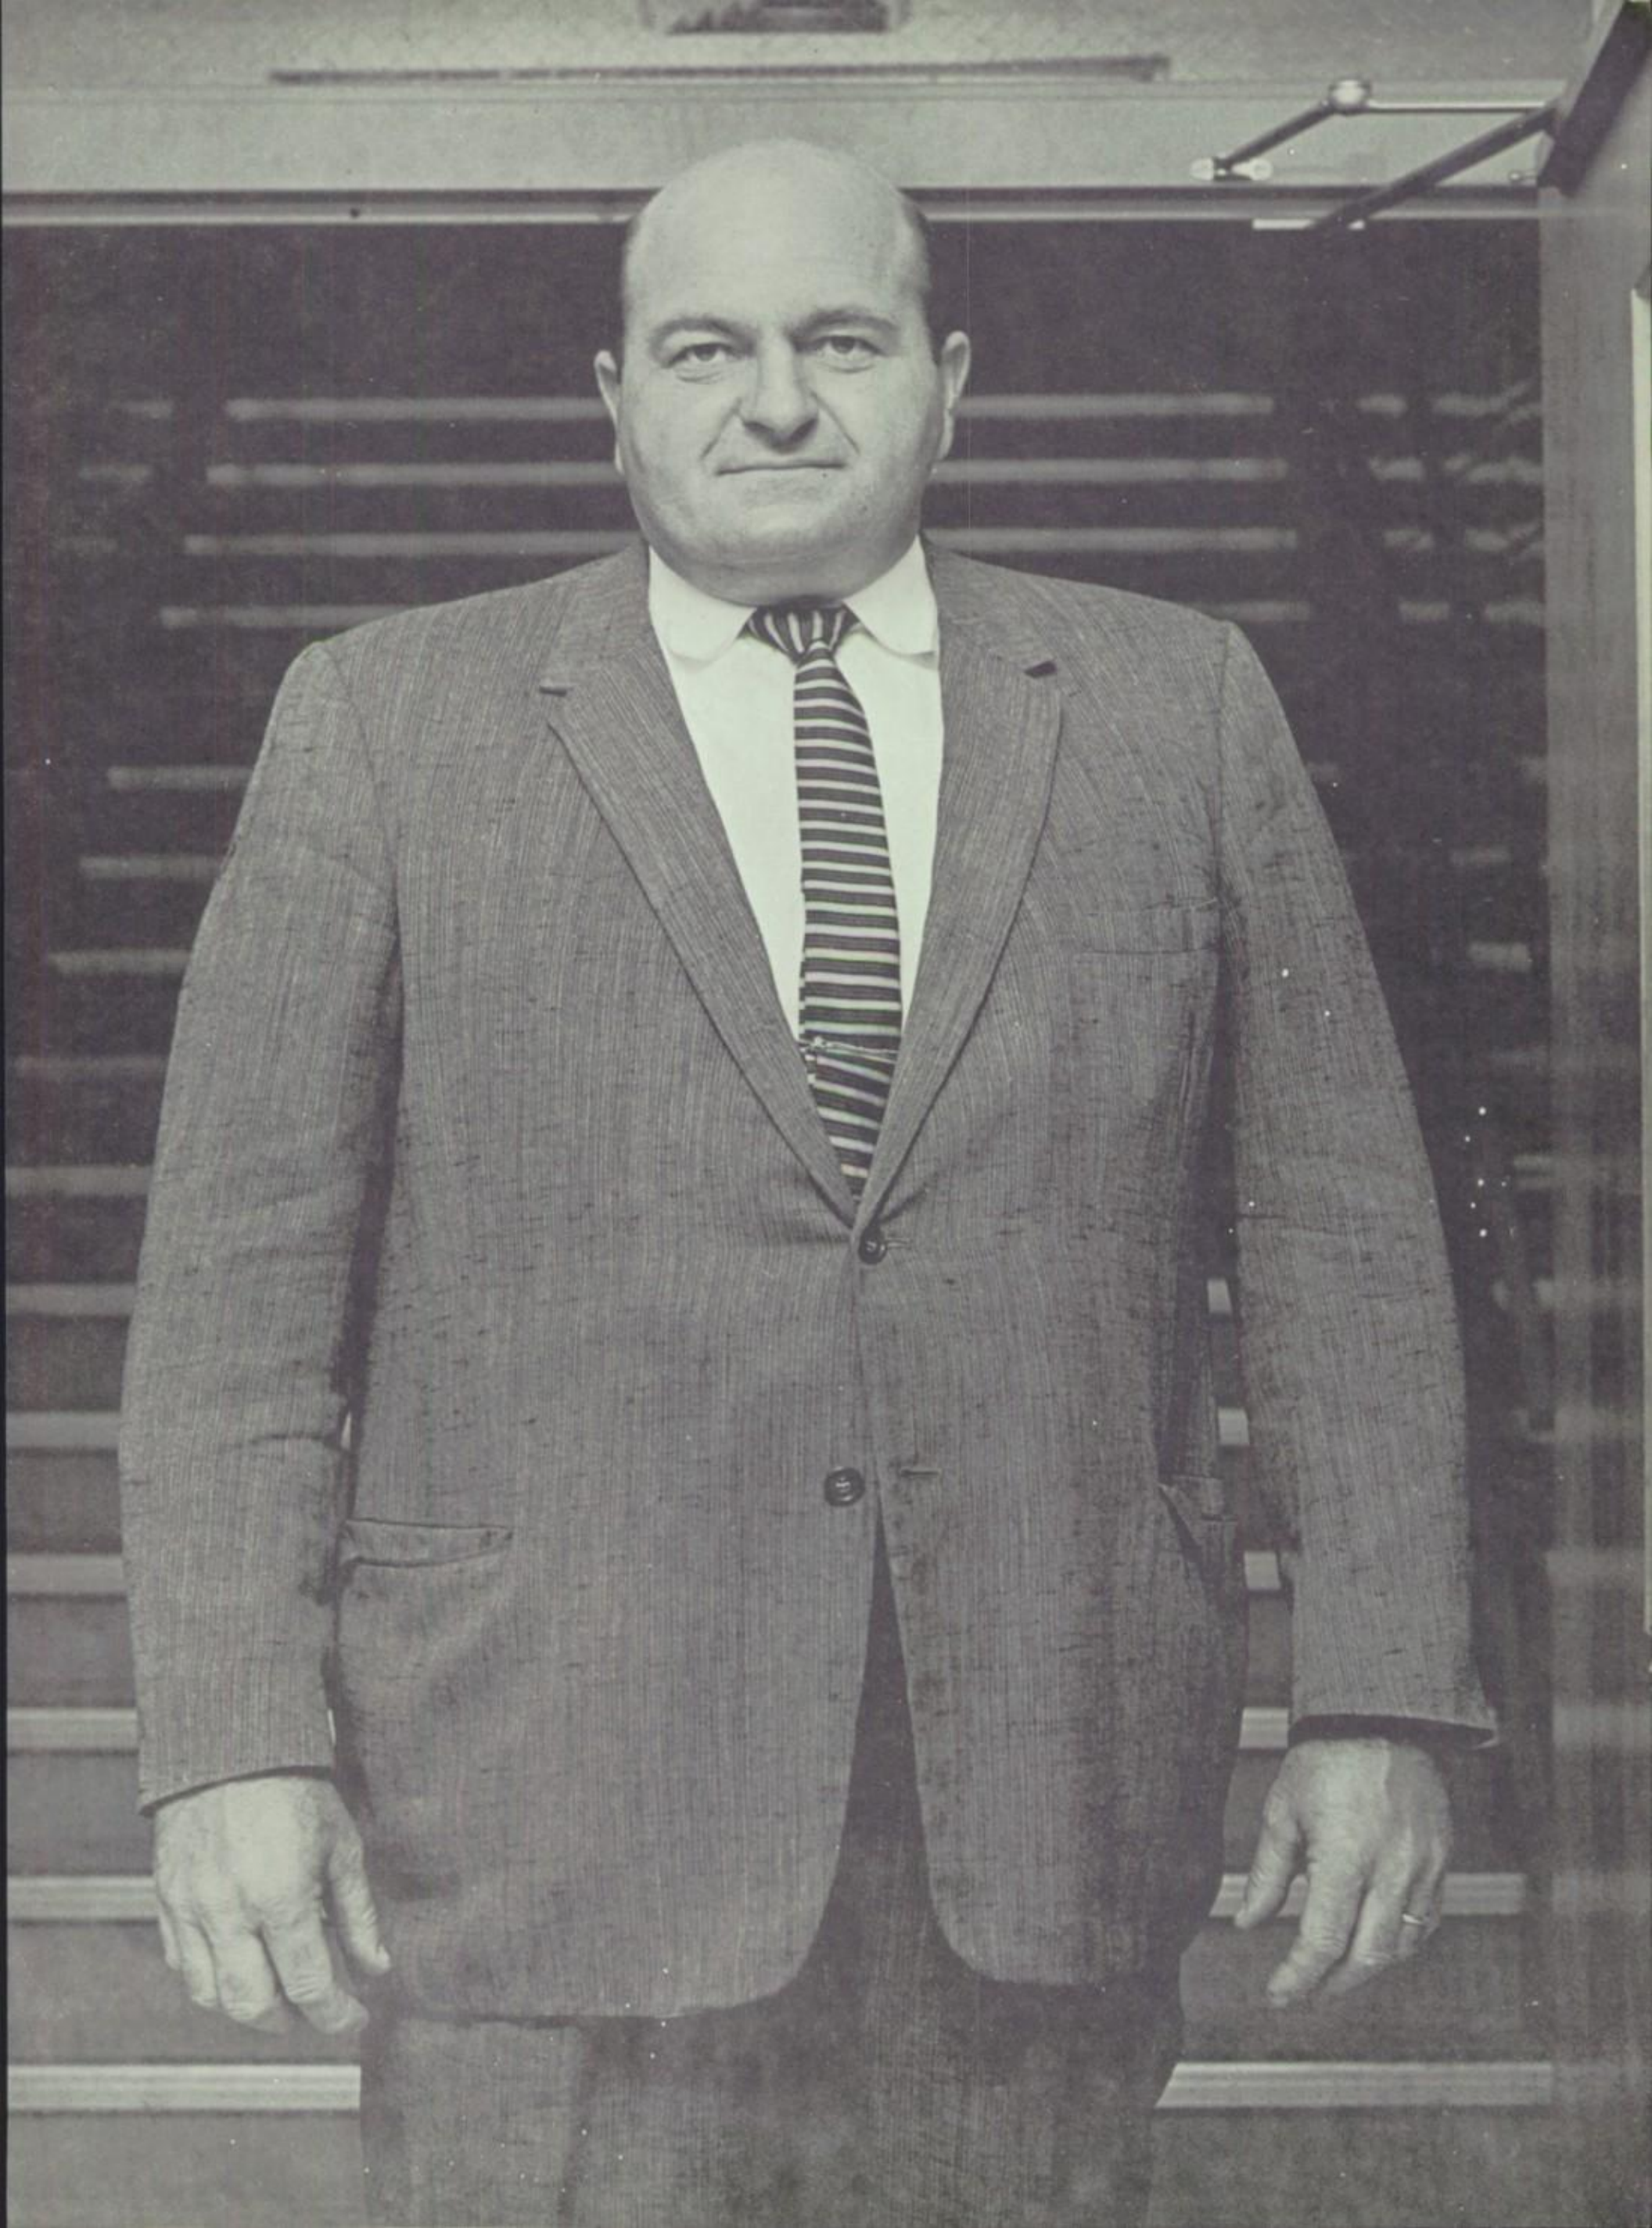
Quentin V. Lanning, a native of Brink Haven, (Knox County), Ohio, born May 20, 1920; died October 21, 1962, at his home in Grove City, Ohio. He was very dedicated to his career in the teaching field for approximately fourteen years.

After graduating from Danville High School, he enrolled at Ohio University, Athens, Ohio. However, before the end of his first year, his Naval Reserve Unit was activated and in 1940 he began a six-year tour with the United States Navy. His war record was one of distinguished courage. On one occasion he was one of eleven men, in a group of two-hundred, to survive a sinking destroyer. Following the war he returned to Ohio University and in 1948, he completed his studies for his Bachelor of Science Degree.

Previously he had taught at Parkersburg High School in West Virginia. In 1956 he returned to Ohio and began teaching at Franklin Heights High School in the South-Western City School District. With the opening of Pleasant View High School, he was assigned Head Coach of the Panther Football Squad and Track Team. Although he prized victory as much as any coach, he still marked well the familiar words of Grantland Rice:

When the One Great Scorer comes
to write against your name,
He writes--not that you won or lost--
but how you played the game.

Mr. Lanning's family, relatives and friends will always remember him as a man of strong character and ready willingness to help others. His death is a great loss to our school, community, and society.



FACULTY ADMINISTRATION

WE WILL EVER PRAISE THEE. . .

Mr. Theodore D. Dagg
Bowling Green University, B.S.
Ohio State University, M.A.

A major responsibility for the survival as well as the improvement of our American Democracy lies with its educational program. Ultimately, this awesome concern rests with each of us. Parents, students, and teachers must work together to provide the most worthwhile learning experiences, if we are to be successful.

Theodore D. Dagg

Mr. Earl O. Freeman
Wilmington College, B.S.
Ohio University, M.S.

Perfection for the good things of life is a goal for which each should strive and in which none will completely achieve. But strife towards perfection means a better school citizenry and eventually a better society.

Earl O. Freeman.

JUNIOR CLASS PLAY

On May 2nd and 3rd, the Junior Class produced three one-act plays. The object being an emotional build-up and "something for everybody," they featured a comedy - - "The Ghost Story," a mystery - - "The Monkey's Paw," and a tragedy - - the famous "Riders to the Sea." The play was a financial success. The directors were Mrs. Brenda Smith and Miss Joy Rose.

"THE ENCHANTED SEA"

King Neptune and His Royalty.

King Neptune's Castle.

Entering "The Enchanted Sea."

On May 11, 1963 the Junior Class presented "The Enchanted Sea." The area at 7255 Kropp Road became flooded about 8:30 p.m. The water receded at the magic hour of 12:00 p.m.

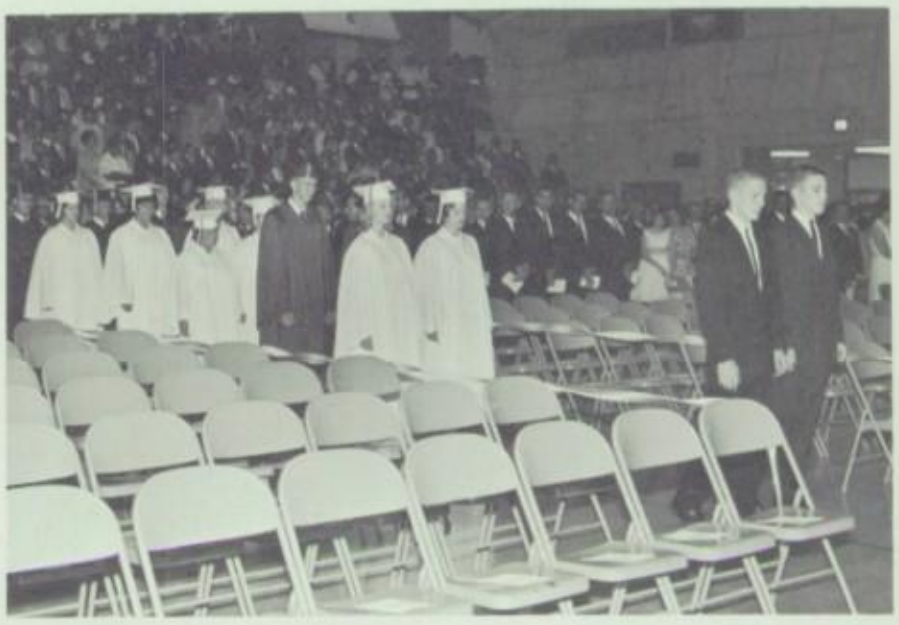
King Neptune and His royalty presided over the dance that was held in the courtyard of His castle. His magical powers gave us the Lampliters in their own sunken ship.

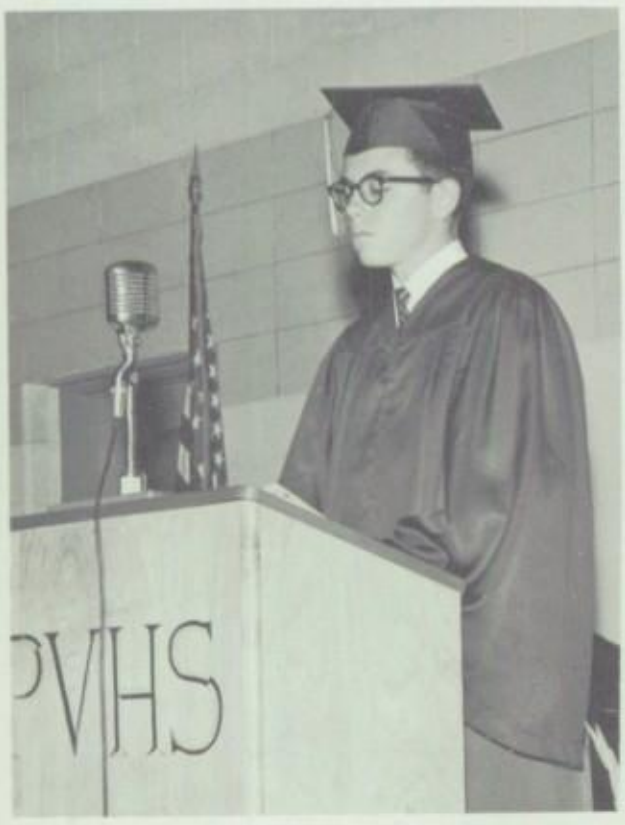
The evening was quite a success for all who attended.

The Littlest Mermaid.

The Lampliters provided wonderful music for dancing.

Graduation 1963





At. 8:00 the night of June 12, 1963 many things happened to make it a night to remember.

Promptly at 8:00 the Pleasant View High School Band started playing "Pomp and Circumstance." This started the long parade of graduating seniors. After all of the seniors took their places The Reverand Father Kimberly gave devotions.

In the messages given that night many worthwhile things were commemorated and said. David Marshall brought to our attention, again, that we were going out into the world. Patti Groleau reminded us of the things we had gained, our knowledge and those we had lost, a teacher and fellow student. Dr. Faust told us that the world was not a ball bat waiting to hit us over the head.

After all these fine remarks we were given our diplomas by Mr. Spangler and high school days were over.

Smear!!!

Let me up!!! Please???

The 1962 Panther 11 started their season with a victory over rival Grove City. The first home game in Pleasant View history ended with the defeat of the Grandview Bobcats. Before a cold, capacity, Homecoming crowd, the Panthers won their first S.C.O.L. contest against Washington Courthouse.

The new stadium and the tactics of a new coach added to the team and school spirit.

Victory is two hours away.

What do you mean 15 yards?

Would someone tell me how the reserves got on this page?

Another layer of skin and he would've had me.

The track squad this year erased many records from P.V. books. Seventeen lettermen, two of which are freshmen, boosted the team's spirit and helped it on to the victories it achieved. Pleasant View set its first record in the S.C.O.L. as the shuttle hurdle relay team ran to break the old record by one second, which was held by Wilmington. The new mark is 1:03.2. They were the only first place medal-winners for Pleasant View. Performances by John Armstrong on the hurdles and Dave Norris putting the shot, accounted for many dual and triangular firsts. Mike Courter, George Roach, and Bill Wakefield added fast running and high vaulting.

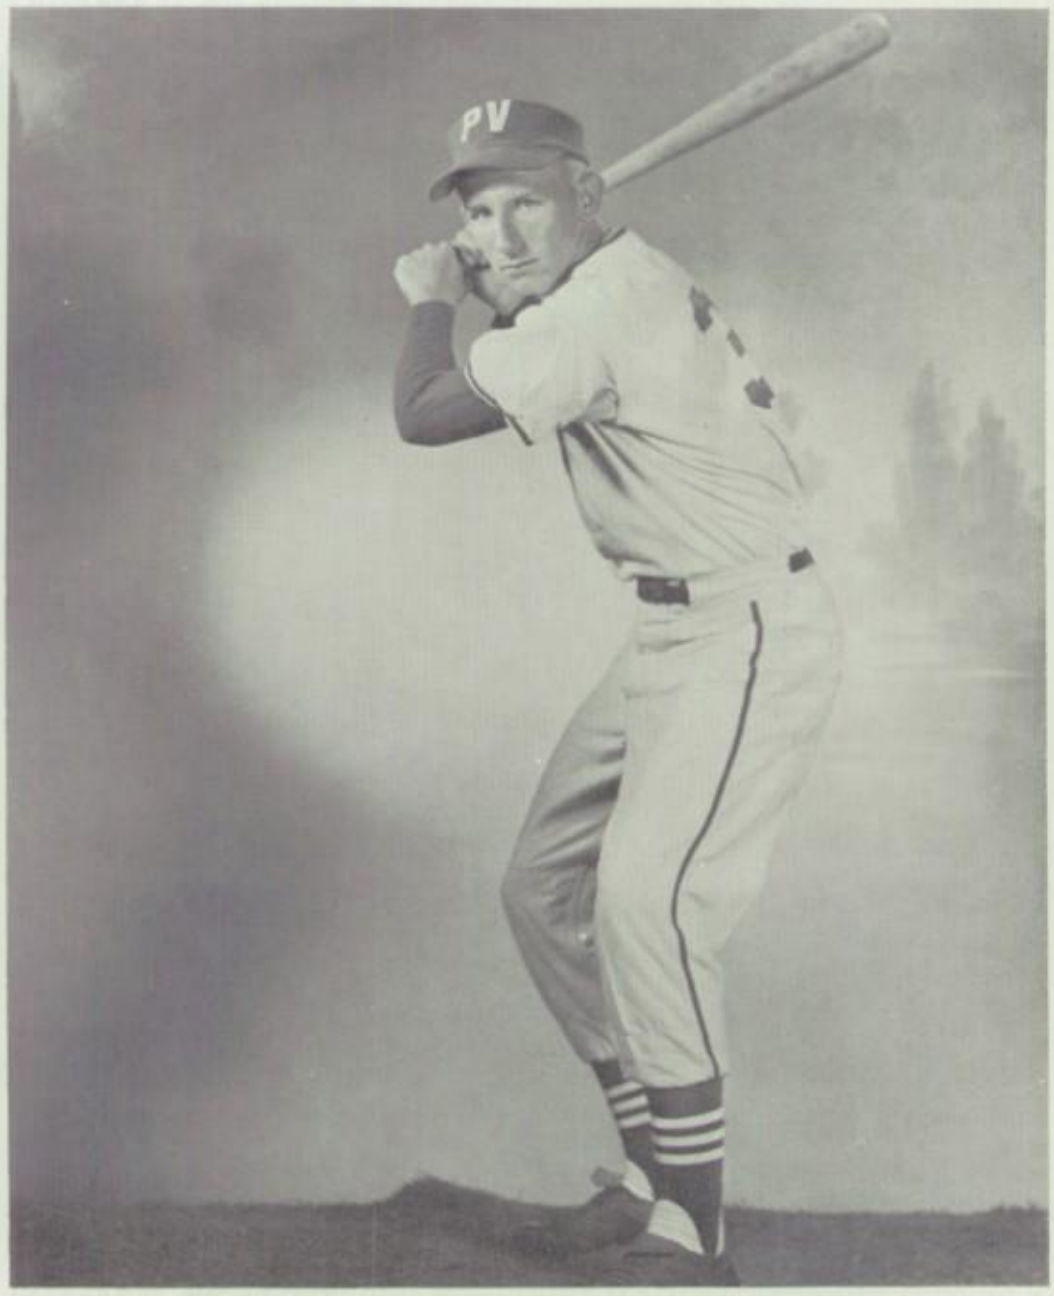
Along with spring came hopes of another S.C.O.L. baseball crown. In pre-season the Panthers were impressive with their team work and spirit. The first league game against Miami Trace put the Panthers on the right road with 1-0 victory. Coach Stora then set about preparing his team for bigger and better wins. A. 9-8 loss to Wilmington almost, but not quite, put an end to the title hopes, for Hillsboro was still coming on strong. The deciding game was again rival Franklin Heights, however, Pleasant View was in championship form when they met the Falcons, and defeated them 9-1. For the second straight year the Panther 9 shared the title with another S.C.O.L. contender.

Pat Mogan All-State



Pat Mogan All-State

In May of 1963, Senior outfielder Wayne Patrick Mogan was unanimously selected to the All-League, All-District, and All-State baseball squads. His S.C.O.L. batting average for the 1963 season was .520. His slugging percentage was well over 1000, at 1.111!... a record which is probably incomparable in the state of Ohio. Pat led the league with four triples and three home runs. His full season batting average was .519 for fifty-two times at bat, including five home runs.
